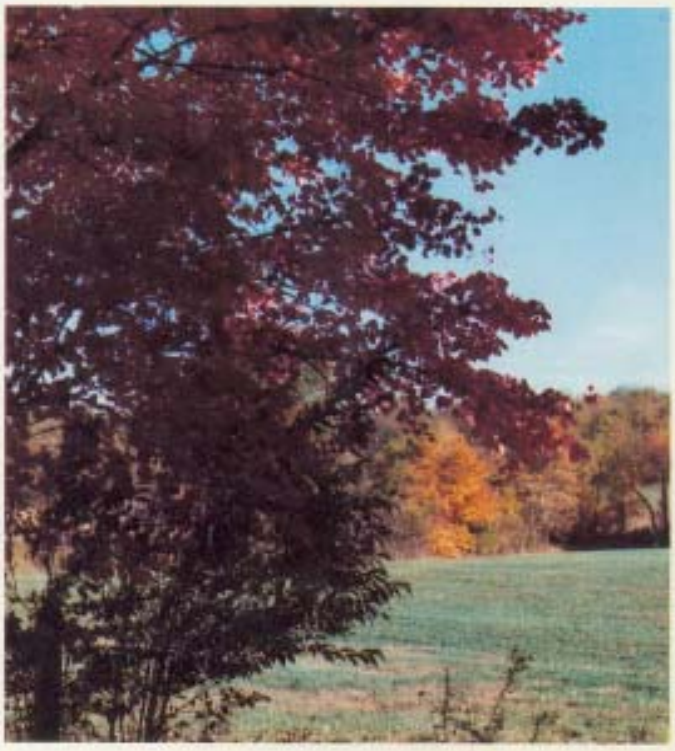
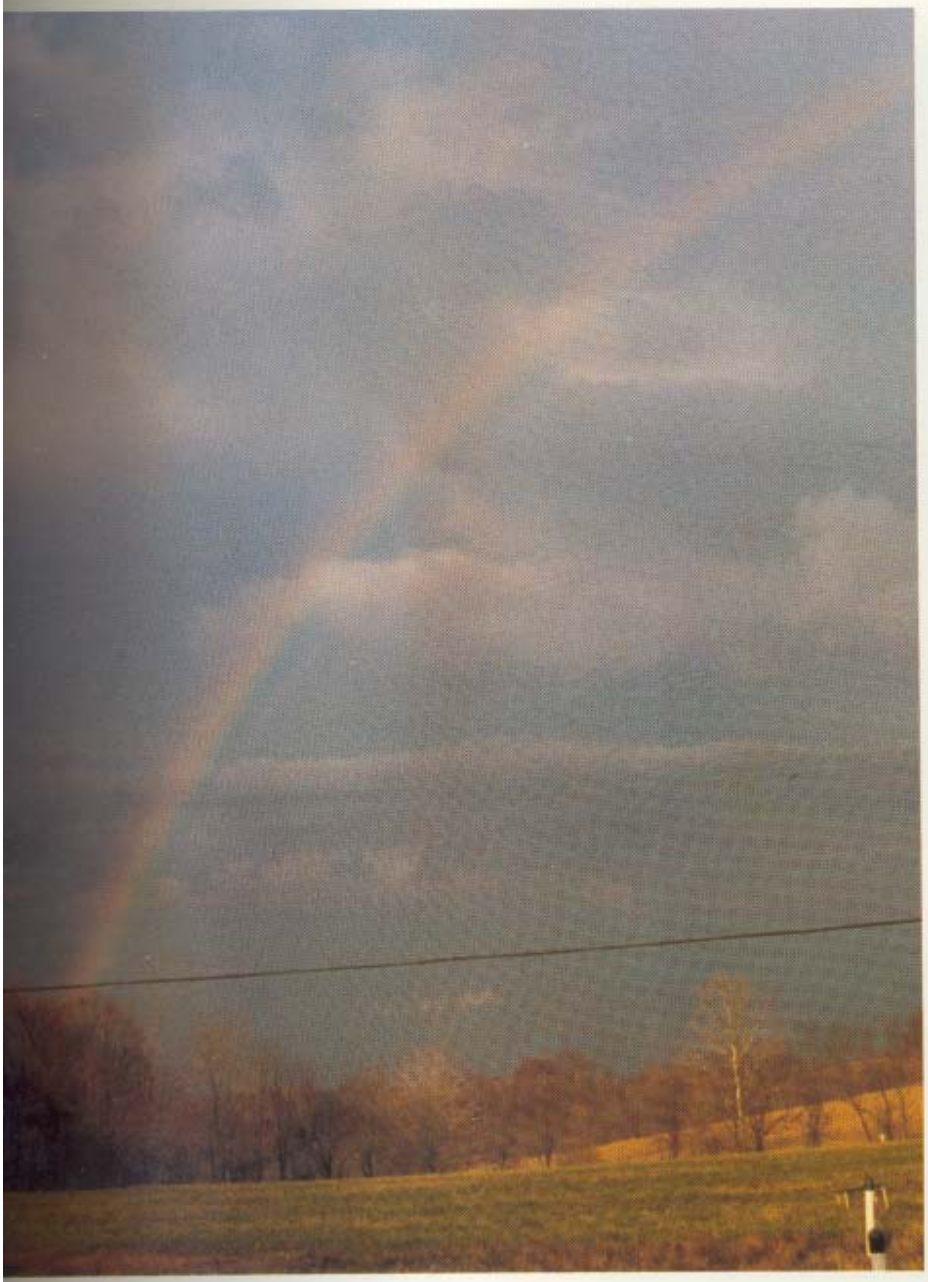
Sometimes we don't realize how much beauty surrounds us every day. We've tried to capture some of that beauty so we can remember it forever.





There were many factors involved when we decided to use a rainbow as our theme. The rainbow, itself, is a symbol of peace, a quality our class seems to have acquired through twelve years of being together. A rainbow isn't formed if a prism isn't present. Our prism was the graduation from three separate grade schools that transformed us into one solid band of six colors for six more years.

As we come to the end of our high school years, we near the end of our rainbow only to climb onto another one that will take us into a different aspect of life.

Alma Mater

Dear old Carmichaels, a toast to you,
Carmichaels our Alma Mater.
In our hearts we'll ever think of you,
We are loyal sons and daughters.
Dear golden years passing by,
Oh, how they fly!
Short years for both you and I.
We will always sing this song to you,
To the world we'll tell your story,
We are proud that we belong to you,
As you stand in all your glory.

Message to the Class of '82

As you leave CAHS, many memories go with you. There are those good times that you wish would last forever — the bad times that you thought would never end, the rules that you found difficult to follow, but most of all memories of the people that you met. Try to remember the kind ones who taught you many good things and try to forgive the thoughtless ones who made you feel bitterness. For with every relationship you change a little, grow a little, and learn to cope with the various personalities that will surround, complicate, and enrich your existence.

And now, as you are ready to assume full control of your adult life, realize that true fulfillment in life is not found by only a lucky few, but is a realistic goal that all of you can achieve by becoming the best possible you!

My best to all of you.

Dr. Zoldos

Spectrum of Life

We want to bite your neck!

G. Riley, D. Riley, and E. Weaver singing their hearts out.

Follow the yellow brick road.

Look out Lawrence Welk!

Memories of our High School days.

Four happy football fans showing their spirit.

Nuclear Physics: Isn't that interesting.

Smile Mark, you're on Candid Camera.

C. Juliani and R. Phillips. Horning it up.

Kissing Cousins!

The new Mr. and Mrs. "Zavatchan."

Are you hungry, Mike?

What comes next?

As we leave C.A.H.S., everyone will remember our cute little mascot "The Mighty Mike." He has been with us from the start of our high school years and has represented us well. We'll miss you as we leave the halls and classrooms of Carmichaels, but we'll always remember the good memories and fun times we had while representing you.

Everybody loves a clown!

1981 Coal Queen
Lisa Elek

Lisa Elek was chosen as the 1981-1982 Bituminous Coal Queen on Sunday, August 23, 1981 at the C.A.H.S. auditorium. Carmichaels has not had a representative crowned as Coal Queen since 1971.

Lisa competed against 16 other girls for the title. She performed an Acrobatic-Ballet dance to the "Theme From Ice Castles," and modeled a white gown.

Her court consisted of: Robin Smith — Waynesburg — 1st runner up; Janet Deal — Laurel Highlands — 2nd runner up; Jill Signerti — Mon Valley Catholic — 3rd runner up; and Gina Maczko — Frazier — 4th runner up.

"Friendship is like rainbows; it can be bent but never broken."

There's a special kind of freedom friends enjoy, the freedom to share innermost thoughts, to ask a favor, to show their true feelings, the freedom to simply be themselves.

Class Song

THROUGH THE YEARS

I can't remember when you weren't there, when I didn't care for anyone but you. I swear we've been through everything there is, can't imagine anything we've missed, can't imagine anything the two of us can't do. Through the years, you've never let me down, you've turned my life around, the sweetest days I've found, I've found with you. Through the Years, I've never been afraid, I've loved the life we made and I'm so glad I stayed right here with you, Through the Years.

Friday night . . . 2 minutes before halftime, 120 people stand nervously on the sideline as the minutes tick off. Although they watch the game, they only see the routines and upcoming steps they will use to entertain the restless crowd. Whispers of "Good Luck" filter through the air as the anticipation mounts. Then the whistle, and . . . They're off!

Spicing up the halftime show with a few dashes of jazz, country, contemporary, and patriotic tunes, the performance is a delightful combination of pride and excellence.

Summer practices soon began and those 7 a.m. rehearsals dragged the majorettes out of bed to start getting ready for their 4, fun-filled days of camp at Seton Hill College. There they played with fire, were taught new routines, learned how to get the best results from a squad, and experienced the pain of lying still in bed not being able to move, and reeking of BEN-GAY!

The Student Council is a branch of student government consisting of 4 Sophomores, 4 Juniors, and 7 Seniors voted in by their classmates. Officers must have one year of previous experience on the Council and the President must be a Senior. The entire Senior High votes for the officers.

Each year the Council is in charge of the Homecoming celebration. Council members make and pass out the voting ballots, purchase the flowers and the Queen's crown, and sponsor the Homecoming Dance. They also present a Christmas tea in honor of the teachers.

This year the Council also sponsored many other activities such as Captain Courageous, Dress Down day, and a Bloodmobile.

The yearbook staff is a group of sophomores, juniors, and seniors, who work hard to produce the school annual, The Echo.

Staff members are selected by applications submitted to the sponsors. The sponsors, editors, and principal then review the applications and select members, section editors, a business manager, photographers, and the editor-in-chief.

Money used to produce the yearbook is raised entirely through the sale of advertisement space in the yearbook, the sale of football programs, and various other fund raisers.

C. A. H. S. Students Participate in County Festivals

Music filled the air when over one hundred very talented county musicians participated in the All County Band Concert on January 30th at the Jefferson Morgan High School Auditorium. Among the county's best were 23 C.A.H.S. students who were chosen to represent our school. The music selected ranged from the up beat of the Bee Gees to the soothing sound of Amazing Grace. The guest conductor for the evening was Mr. Sinabaldi, a retired and well-known musician. It was a learning and pleasurable experience for all who participated. Those who attended were:

On April 2, 1982, 27 members of the C.A.H.S. Chorus participated in the All-County Chorus Festival at Waynesburg Central High School. Members of the Waynesburg and West Greene Choruses also participated. The guest conductor for the concert was Mr. James Randolph, a professor of Music at Waynesburg College. It was an exhilarating experience for everyone. That evening, a concert was performed that was open to the public. Those who participated were:

Drama Club Presents

Seven Wives for Dracula

Front Row: Bill Blaker, Mike Clarchick, Greg Mitchell, Mike Arameish, Kevin Pratt, Dave Riley.
Back Row: Mr. Neroni (Director), Lula Phillips, Charlene Smith, Jacqie Karuso, Ruth Pevarnik, Daneen Keyser, Danna Tenney, Gretchen McWilliams.

In the fall of 1981, the Drama Club staged a Halloween play for the school and the children of the community. The play was "Seven Wives for Dracula." The play was a wildly hilarious spoof which tells the story of the Draculas (Mr. and Mrs.), who live in a sanatarium inhabited by a jolly assortment of *schizos*. The play was performed on Oct. 29, 1981.

Band and Chorus Concerts '82

Monday, May 10th, 1982, the Chorus presented its annual spring concert. The music ranged from modern to a 16th Century madrigal to country and western and then to a spiritual. The Chorus also performed a popular number from the fifties called "Rock and Roll is Here to Stay," featuring Dave Riley as a rock singer.

Friday, May 7th, 1982, the concert band dazzled the audience with its spring concert. The band performed an annual variety of tunes including "The Theme from Superman" and "Shenandoah." The band also did a tribute to John Lennon and the Beatles.

The 1981-82 Mikette team started off their season with long hard practices beginning in late February winning three of their four exhibition games the Mighty Mikettes battled for 1st place and remained there the rest of the season. With much determination, dedication, and an excellent coach, Mr. John Krajnak, the girls came through with an undefeared season which clinched the section title and gave them a spot in the playoffs. The team then traveled to Cannon-Macmillan stadium where they faced section champs, the Charleroi Cougars. Throughout the game the Mikettes were even with their opponents but a few bad calls and a little bit of luck for the other team gave Charleroi the victory. The team played excellent ball all year and the school and community are very proud of them.

Senior Memories

As we gather one last time
to reflect on the years that have passed.
We remember the times spent laughing and learning,
and the memories which will always last.

The teachers who have helped us to live and to learn,
and those who have helped us to grow,
We thank you for all the memorable times
in the best way in which we know.

Through Jr. High and onward
up the wrong stairs and back down,
Through banging doors and ringing bells,
and the new friends that we found.

We made it passed the Raven,
as he quoted, "never more",
And Mr. Lapkowicz's "banana boats"
as they sailed from shore to shore.

Health films became a way of life
as did *The Hobbit* and his crew,
Chemistry kept us on our toes,
but still we made it through.

Through all the tears of joy and pain,
through victory and defeat,
Through the simplicity of our grade school years
to the challenges we now meet.

We'll remember the faces of our Mikes and Mikettes
those who wore the gold and the blue,
And displayed school pride so gallantly,
through the wins which were many and the losses
which were few.

But, the days we find are passing,
more quickly than it seems,
Leaving us to reflect on our precious memories,
and anticipate our hopes and dreams.

Yes, the memories we have are many indeed,
times we'll cherish forever,
Strong memories that won't be faded by time,
but remain intact forever.

And when the time comes to say good-bye,
we must hold one thing true,
We are strong, we are one
We are the CLASS OF '82.

The graduating class of '82

My mind is wandering again going its own directions.
I'm not afraid [illegible] be
It will flow and take [illegible] exciting ideas.
And feelings beyond my present understanding
I will be richer
My journey will build a bridge for my tomorrow

For Robin McWilliam

Look out! Here we come.

Six smiling seniors.

We are now at the end of the Rainbow. As seniors, the memories we have made at CAHS are priceless and will remain with us forever. The rainbow has ended but a new one shall begin. As we travel to our new direction in life we will always reflect on our days at CAHS and know we couldn't have achieved anything without them.

It's all mine!

It's almost time.

Ed, Kim and Mike.

Jackie lends a helping hand.

Linda and Randy

How do you get these crazy things on?

Gabby and Sheriff Tim.

The class of 1982 is unique. Here are some of the memorable moments as we seniors spend our last few days at CAHS.
